Dear Tom, Christian and Staff

Sorry for the delay in writing to you, but as you can well imagine, I have been too sad, stressed and depressed, ever since I lost my beloved husband, Paul Richards. However, I am sure that things would have been worse, if I hadn't had your kind and efficient support.

My children and I were fortunate to have you handle all details, before, during and after Paul's demise. You lived up to our original expectations, fulfilled all promises and were there to assist during the Church Service and the placing of the Urn at the Gate of Heaven Cemetery.

The memory Booklet you printed was remarkably well done and so was the Honor Guard Ceremony at the Cemetery. Likewise, the photo posters you created were excellent.

Thank you very much for your support at such a difficult time and for sure, I will not hesitate to recommend your services to our friends.

Best wishes and many blessings,

Helena Richards
